BRUCKMILLER MIGHTY MATTY

Which Proved Enough to Give Lynchburg the Game-Bruck Effective.

[Special to The Times-Dispatch.]
Lonchburg, Va., July 16.—Brucksmiller filled the bases in the third and forc d two runs in. Hannifan releved him and he forced two more, Lynchburg taking the first game from Petersburg by the score of i to 6.

The game, while hard fought, was lacking in interest, because of the effective work of the pitchers, save Petersburg's blow-up in the third. The score:

UMPIRE FINNERAN ATTACKED

Philadelphia, July 10.—St. Louis winning streak was broken here this afternoon, when the visitors were defeated by Philadelphia 4 to 2. Golden's wildness was largely responsible for St. Louis' defeat. The sensational event of the game was Magee's attack upon Umpire Pinneran, after being called out on strikes. Score

Chicago, July 10.—NewY ork defeated Chicago in the final game of the series to-day 5 to 2 in an eleven-inning session. A batting rely in the eleventh and Walsh's unsteadiness gave New York their final runs. Score:

Mabry going to second. In the ninth Rapp lost his nerve, and the Tigers hit him steadily until the game was gone. Manager Cowan started Pierce to the slab, but changed his mind and leit Rapp in, the result being a victory for Roanoke. The infield work of Martin, Baker and Priest was the greatest seen here this season. Draper's single sent in two runs in the ninth tying the score, and Pressly hit siarply over third base, winning the contest. Manager Cowan caught a great game for his Colts, and kept the Richmond team fighting and playing hard all the way. It was a tough game for Scrap Iron to lose. His club impressed the Roanoke fans most favorably as a pennant possibility. Good pitching alone is needed to send the Colts to the top in a hurry.

Petersburg, Va., July 10—Simmons, third baseman of the Norfolk team of the Tidewater League, and Beaton, of Missachusetts, an autifielder, have been secured by the Petersburg baseball club, and both reported to the club to-day at Lynchburg for duty. Both are good men and are highly recommended. Simmons played last year with the Releigh, N. C., team and rande a fine record. Beaton played with the Boston Americans, and made a good record both in the outfield and infield. The Petersburg club has its eye on one or more other players to add to its roll. Cincinnati, O., July 10.—The application of Player Vincent Campbell for reinstatement was granted without the imposition of a fine by the National Baseball Commission to-day.

Campbell, before the 1911 season opened, formally notified the Pittsburg club, of the National League, of which he was a member, that he had decided to retire from professional baseball. Late in June he made application to the commission for reinstatement.

1912 Chalmers "30" Fully Equipped \$1500

Last year this car sold for \$1750.00 equipped with magneto, gas lamps, top and windshield. This year it is refined and improved in every possible way; thoroughly ventilated fore-door bodies, inside control, magneto, gas lamps, including Chalmers Mohair Top and automatic windshield for \$1500.00.

WHY?

First. There is only one automobile of medium price which has ever been successfully manufactured and marketed, and rendered ideal service for as long a period as three years. That car is the Chalmers "30."

Second. That three years have elapsed and 1912 enters upon the fourth year with a demand for the Chalmers "30" greater than ever before.

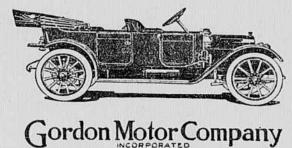

Third. When the factory in 1909 brought out this model they figured overhead cost to cover a period of three years; this included the special machinery, jigs, dies, templets, etc. From year to year they have been able to improve this car, as you know, without additional cost. Now all of this machinery is paid for AND THE PUBLIC IS GOING TO GET THE BENEFIT OF IT.

Fourth. The Chalmers Company has always been satisfied with a small margin of profit on their goods, and when it is possible by economy of manufacturing methods to give more value, it has always been done without any increase in the price.

We think that you will agree that claims are unnecessary in view of such value at such a price.

The facts are eloquent and convincing. You have the choice of two, four or five-passenger bodies and four color schemes.

International Amateur Meet Enlists Best Track and Field Men of England and America. Harvard and Yale Against Oxford and Cambridge.

Harvard and Yale Against Oxford

Adders in the limitage of Colling, 1 in State of Chiling, 1 in State of Chiling, 1 in State of Chiling, 1 in Colling, 1 in

In comparing the records of the two teams it is seen that McMillan, of Cambridge, and Reilly, of Yale, have each run the 100 yards in ten seconds. McMillan, however, can no doubt be rated as a 9 4-5 seconds man on a good day. Foster, of Harvard, in shape, would have at least an even chance with McMillan. He is not in very good condition just now, though, and is not figured on as a likely winner.

ner. Statistics show that the Harvard man Kelly, is better than Black, of Cambridge by 1 2-5 seconds in the 440-

144 feet. Putnam, however, is very consistent, and, as he has more experience than the American, he is almost sure to be returned the win-

ner.
The superiority of America in the hurdles, should land Chisholm, of Yale, the winner in the 120-yard event. Chisholm has twice won the intercolman Kelly, is better than Black, of Cambridge by 1 2-5 seconds in the 440-yard dash. Black, however, has, it is believed, not been seen at his best. In the 880-yard run Baker, of Cambridge, did 1:58 1-5 against Oxford. Jacques, of Harvard, who is the Americans' best man at this distance, has never won a race in as fast time as the Englishman, though, when Jones, of Cornell, did 1:54 4-5 at the intercollegiates, Jacques was third, and was caught in 1:57. Left to set 'his own pace, Jacques could hardly beat 1:59 or possibly 1:58. In comparing the gerformances of these two men, it der tracks.
